

**CENTRAL AND EASTERN EUROPEAN
REFINING AND PETROCHEMICALS
11TH ANNUAL MEETING
14 - 16 OCTOBER 2008
WARSAW, POLAND**

The 10th Anniversary Meeting of the Central and Eastern European Refining and Petrochemicals Roundtable attracted over 225 senior executives from the region's refining and petrochemicals industry, reinforcing its position as the leading event in its field for senior decision makers from all aspects of the downstream industry.

The 2008 event, to be held on 14-16 October 2008 in Warsaw, Poland, will bring you right up to date with all the developments and activities in the industry with detailed analysis, expert opinions and recent case studies from key players in the sector.

This will include discussions on the latest developments in all aspects of the refining and petrochemicals industry including the short to mid-term investment strategies adopted by the major refiners, upgrading of facilities to meet new fuel specifications and emissions targets, reaching eventual energy security and the latest technological advances in refining processes.
